

STATE OF NEW HAMPSHIRE
SUPREME COURT OF NEW HAMPSHIRE
O R D E R

The court has before it a request from Superior Court Associate Justice Patricia C. Coffey to waive the limitation set forth in Supreme Court Rule 38, Canon 4B, that a judge “who is otherwise in compliance with the provisions of Canon 3” may derive income from avocational activities “not to exceed 15% of the judge’s salary.” To the extent that the activities described in the memorandum accompanying the request constitute avocational activities as described in Supreme Court Rule 38, Canon 4B, the request to waive the limitation that income from such activities not exceed 15% is hereby denied. See Sup. Ct. R. 38, Canon 4D(3).

Broderick, C.J., and Dalianis, Duggan, Galway and Hicks, JJ., concurred.
